

# Knights of Columbus Council 2900

St. Charles Borromeo Catholic Church  
Coldwater, Michigan

## Scrap Metal Fundraiser

We sponsor an ongoing scrap metal fundraiser. All the proceeds go to help the charities in the community which our council supports. If you have scrap metal items you would like to dispose of, we can help and at the same time help others. The list below is types of things that the Knights would be happy to scrap for you. You can contact a member of our council, they would be able to help answer questions or call Richard Danielson at (517) 610-7565.

### Collectable Scrap Metal Items:
