

Label News!

The results are in and congratulations goes out to the 3rd grade again as they are the winners of last month's label contest. They hauled in 430 labels last month and will enjoy a delicious treat today.

Keep hauling in your labels and you could be next month's winner. The next deadline to bring in your labels is Tuesday, May 11th. Don't forget to ask your grandparents and aunts and uncles to save for you too and don't forget to mark your grade on the outside of the bag so I know who to give credit to.

If you have any questions, please call me or email me. Thank you for your participation in this easy way to earn money for our school – it does not cost us anything other than a little time and effort.
